

Our Valued Sponsors

PREMIER SPONSOR

Ampol and The Wynnum Bugs have a long-standing relationship that dates back from the Day the club was started by Jeff and Pam Wills in 1979. Our colours were the Blue and White of Eastwood RUFC and it is rumoured that the colour Red was added in honour of our first sponsor, Ampol. Our relationship has been for over 40 years and Ampol has always been behind us as we grew from strength to strength.

Ampol has helped shape the Wynnum & District Rugby Union club into what it is today. Ampol assisted in providing our first clubhouse. They were our first premier sponsor when we embarked on creating a senior men's rugby programme. This successful partnership has helped the senior rugby programme become a main feature of the club with over 40 years in senior men's competition. Ampol continued their support in our Junior teams with initiatives like the Ampol 7's and Ampol Junior Rugby Cups.

We are so proud to have Ampol as the clubs, major sponsor, again in 2022.
